The beauty of ice stock sport is that anyone can participate in this game. You don't need any special previous knowledge, skills or equipment. 15 minutes before the start of the game there will be a short briefing and then you will go out on the ice with sturdy shoes. Shoes with heels and spikes are not allowed! The basic idea of the game is to slide the ice sticks as close as possible to the puck. The game is decided not only on the basis of concentration and precision, but also through tactics and enjoyment of the sport. Thus, the best throws of one team can still be ruined thanks to the last throw of the other team. The curling championship is commented and moderated by our hall moderator, so that the spectators and supporters of the participating teams are always kept up to date.

The entry fee is 50.00 € per team, which must consist of at least four players and ideally have two substitutes. The entry fee must be paid before the start and will not be refunded in case of withdrawal. The participants for the quarterfinals will be decided in a group phase. The lucky winners of this group phase and the quarterfinals will then have the chance to compete for the championship in the semi-finals and at the grand final on 05.03.2022. This is when there is to be a grand award ceremony, where each team will be mentioned. The tournament schedule will be planned depending on the number of participating teams and the schedule will be made known to all participating teams. Please note that this ice stock sport championship is primarily about having fun and is not a „professional championship“.

!!! ATTENTION: A maximum of 54 teams can participate. Places will be allocated after receipt of registration!!!

Register with your team and enjoy one or more athletic and exciting evenings on the ice at Eiszeit Emden!
